List of SG4 participants 112.doc

Bonjour everyone!

I'm very pleased to have your participation in the upcoming IARC Monograph volume 112 meeting! Together with others copied here (see also the appended file), you will be drafting Section 4, covering Mechanisms and other relevant data (see <http://monographs.iarc.fr/ENG/Preamble/>).

First, some good news: the deadline for initial drafts will be **December 1, 2014**, a bit later than previously advertised.

Second, two requests:

1. Please complete this doodle for a group teleconference: <http://doodle.com/3ss58b9e2t4vz4f4>
2. If you have not done so, please register on hawcproject.org, to be used for literature search and review.

I'll send further details in advance of the teleconference. Don't hesitate with any questions in the interim.

Best regards,
Kate
